

Product Termsheet October 2016 Fortress Bond

Castle Trust is the issuer of Fortress Bonds. Fortress Bonds are investments for a fixed term which pay interest to investors in a lump sum either quarterly or at maturity (depending on which bond you select) and return the original amount invested at the end of the term.

October 2016 Fortress Bonds are available for terms of 1, 2, 3 and 5 years. Castle Trust reserves the right to increase the rate payable during the offer period, but not to reduce it. If the rate is increased during the offer period, this increased rate will apply to all investors in the applicable investment.

This means that you may benefit from a higher interest rate than you had anticipated, but not a lower one.

You are not allowed to encash early except in the case of the death of the bond holder.

You may purchase a Fortress Bond directly from Castle Trust either online, by post or over the telephone. Please visit www.castletrust.co.uk/how-to-apply-investments for more details. If you are unsure about the suitability of this product, please contact a financial adviser.
