Verification process for new clients

Anti-money laundering regulations require all financial institutions to implement client verification procedures for all new clients. We will attempt to verify you electronically, using Experian, on completion of your account set up. This check does not affect your credit rating in any way. If, for any reason, we are unable to complete our full electronic checks then we will write to you and ask you to supply further documentation to verify your identity and address. We will provide a list of documentation which we accept, along with details of who can certify your documentation for you.

Beneficial owners and controllers

A beneficial owner is normally an individual who ultimately owns or controls the customer or on whose behalf a transaction or activity is being conducted.
